INNOVATION VENTURES INVESTS PROBITY MEDICAL TRANSCRIPTION

Wilmington, DE, April 15, 2009 -- Innovation Ventures, LP, with offices in Wilmington, DE and Lancaster, PA is pleased to announce an investment in Probity Medical Transcription. Innovation Ventures participated in this Series A round along with Penn Venture Partners. David Freschman has joined the Board of Directors as a result of this financing.

Probity Medical Transcription, located in Harrisburg, PA, employs a pool of U.S. based medical transcriptionists in 38 states, utilizing a robust internet-based dictation and transcription platform. This integrated system requires no capital investment yet provides consistency, reliability and ease of use for physicians and medical staff. Probity works with healthcare systems, acute care hospitals, multi-specialty clinics, and physician groups in over 30 states.

"We are excited to have a new partner to fuel our continued growth and our commitment to our clients. During a difficult time in the economy, it is satisfying to know that we have the ability to help our clients contain their costs while they also improve patient care", said David Plummer, Founder and CEO of Probity.

About Innovation Ventures, L.P.

Innovation Ventures, LP (IV) is an SBIC venture capital fund headquartered in Wilmington, DE and with offices in Lancaster, PA. IV is focused on growth and early-stage investments in the areas of chemicals and materials; electronic materials and devices; information technology; nanotechnology; software; biotechnology (excluding human therapeutics); and business information services related to the legal, financial services and manufacturing industries. Innovation Ventures invests \$250,000 to \$1 million in early and growth stage companies primarily located in the Mid-Atlantic region.
